Rutherford Falls Jana Schmieding and Ed Helms. Ugly Betty Vanessa Williams, Mark Indelicato, Tony Plana, Ana Ortiz, America Ferrera, Becki Newton, Eric Mabius, Judith Light and Michael Urie in "Ugly Betty." Photo Courtesy: Walt Disney Television via Getty Images The dramedy Ugly Betty, which ran on ABC for four seasons between 2006 and 2010, was an adaptation of the Colombian telenovela Yo soy Betty, la fea. Besides winning three Emmys, Ugly Betty won two Gay and Lesbian Alliance Against Defamation (GLAAD) Media Awards. Pregnancy wasn't a thing that happened on TV at the time. - Canberra | Broken Hill | Central Coast | Coffs Harbour | Griffith | Lismore | Newcastle | NSW Regional | Orange Dubbo | Remote Central NSW | South Coast | Sydney | Tamworth | Taree Port Macquarie | Wagga Wagga | Wollongong | Darwin | Regional NT | Brisbane | Cairns | Gold Coast | Mackay | QLD Regional | Remote Central QLD | Rockhampton | Sunshine Coast | Toowoomba | Townsville | Wide Bay | Adelaide | Regional SA | Port Augusta | Remote Central SA | Riverland | South East SA | Spencer Gulf | Hobart | Launceston | Regional Tasmania | Albury Wodonga | Ballarat | Bendigo | Geelong | Gippsland | Melbourne | Mildura Sunraysia | Regional Victoria | Shepparton | Albany | Bunbury | Mandurah | Perth | Regional WA | | More Australian TV Guides What to watch on Streaming - Watch Movies | Watch TV Shows | TV Reviews | Best Movies on Netflix | Best Shows on Netflix Australian Streaming Services - Netflix Australia | Stan | ABC iView | SBS On Demand | Apple TV International TV Listings - United States | Canada | United Kingdom | Ireland | Australia International Streaming Services - United States | Canada | United Kingdom | Australia Cookies - Update Advertising Preferences Page 2 Page 3 Page 4 Photo Courtesy: Netflix/FX/Getty Images Whether a show is a total guilty pleasure or a highbrow icon of Prestige TV, a feel-good sitcom or a high-concept drama, television has the ability not only to represent and mirror society but teach us some valuable lessons about acceptance and openness. Ellen Ellen DeGeneres and Lisa Darr in "Ellen." Episode air date: July 22, 1998. Nichelle Nichols and William Shatner in "Star Trek." Original airdate of the episode: November 22, 1968. In the end, Ball's pregnancy was written into the show, an approach that's been used plenty of times in scripted TV since then. Mock has written and directed several Pose's episodes since. In later seasons, the series also commented on the for-profit prison system and immigration. Then there's the kiss. When the actress became pregnant the couple thought the show, which had aired for one season on CBS, would be canceled or put on hiatus until after she gave birth. Not only that, the show enlisted writer and activist Janet Mock, and, soon after, she became the first transgender woman of color to write and direct an episode of television. I Love Lucy Lucille Ball in "I Love Lucy" in 1952. It starred Mary Tyler Moore as Mary Richards, a single woman in her 30s focused on her career in a TV station. As Jenji Kohan's (Weeds) show progressed, it stopped focusing on Piper (Taylor Schilling) and opened the scope to an incredibly diverse ensemble cast of women. Photo Courtesy: Netflix What started as the adaptation of Piper Kerman's memoir about the months she spent in prison for a decade-old drug conviction, ended up becoming much more than that. The Fresh Prince of Bel-Air started airing in 1990 and was loosely based on Smith's life. Tony Plana played Betty's dad and he often mixed Spanish and English dialogue in the show, the way a lot of Hispanic families do. Uhura and Captain Kirk (William Shatner) kissed in a 1968 episode while under the influence of aliens. But its inclusion of women of all ages, races and backgrounds is what made it stand out in the first place. He's taken the mantle from his character Pray Tell and helped redefine what masculinity means. But other than making the protagonist a movie star, the show also highlighted the life of a wealthy, stable and college-educated Black family, widening the scope of how Black characters were represented on TV. You can argue whether that was the first interracial kiss on screen or not, but it sure proved the show's dedication to the depiction of a plural and diverse society. Rutherford Falls has only aired one season so far but it'll be interesting to see if it opens new opportunities for Native American narratives told by Indigenous creators and actors. And even though it was a sitcom, the show also tackled serious topics like Police profiling — Will and Carlton (Alfonso Ribeiro) get pulled over by the Police while driving a Mercedes Benz — drug use, gun violence, date rape, HIV, racism and other issues. And writing around an actress's pregnancy hasn't always been as easy as getting Scandal's Kerry Washington a few fabulous coats. And Ana Ortiz played Hilda, Betty's older sister. It also paved the way for other career-women-centered shows like Murphy Brown, Ally McBeal, 30 Rock and even Sex and the City. Photo Courtesy: CBS Back in the 1950s, Lucille Ball's sitcom I Love Lucy, in which her character was married to Ball's real-life husband Desi Arnaz, broke a big TV taboo. Photo Courtesy: Getty Images This seven-season sitcom that aired between 1970 and 1977 broke a few molds. Nichelle Nichols played Uhura, a Starfleet Lieutenant and communications officer, making the show one of the first to feature a Black woman not portraying a servant. Teller Ornelas is Navajo and one of the five Native writers on this show. Plus, the series has helped cement the careers of actresses Uzo Aduba (Mrs. The show put a Mexican American family front and center in a primetime show. The show, created by Ryan Murphy, Brad Falchuk and Steven Canals, is set in the late '80s and early '90s and depicts the lives of a group of Black and Latina transgender women and their gay friends. In fact, Rutherford Falls has one of the largest Indigenous writers' rooms in history, according to Peacock. Photo Courtesy: Peacock This Peacock sitcom that aired its first season in April 2021 is co-created and executive produced by Ed Helms, Michael Schur (Parks and Recreation) and Sierra Teller Ornelas (Superstore). Ortiz plays Victor's mom. MORE FROM ASK.COM Pose Indya Moore, Mj Rodriguez and Hallie Sahar. Moore, Kate Mulgrew, Jessica Pimentel and Selenis Leyva. It also starred America Ferrera, who played an unstylish but hard-working woman who ends up working at a fashion magazine. Brooks and Allan Burns but boasted a writers' room where there was also a significant number of women, especially for the period. It was titled "Lucy Is Enceinte" because apparently it's OK to refer to the "p" word in French. Photo Courtesy: Walt Disney Television via Getty Images The sitcom Ellen, starring Ellen DeGeneres as Ellen Morgan, was on its fourth season when it aired "The Puppy Episode" in 1997. DeGeneres' character announcing her sexual orientation coincided with a Time magazine cover and interview. But it also addressed topics like body image and Hilda's teenage son coming out as gay. That's why we've decided to take a look back at TV history and highlight a few titles that made TV a more representative, progressive and diverse place. And it confirmed Kirk's famous words: "Where I come from, size, shape or color makes no difference." The Mary Tyler Moore Show Mary Tyler Moore in "The Mary Tyler Moore Show" circa 1975. America, In Treatment), Natasha Lyonne (Russian Doll), Samira Wiley (The Handmaid's Tale) and Laverne Cox (Promising Young Woman). It was an adaptation of a British show of the same name and depicted a group of gay friends — and their sex lives — in a nuanced way. The show also stars Helms as Nathan Rutherford and Jesse Leigh as Bobbie Yang, Nathan's non-binary executive assistant. Having a Japanese American actor in such a visible role just two decades after World War II, a time defined by America's anti-Asian policies and racism, also highlighted the show's commitment to representation. And although certain themes weren't treated in the same, direct way we've grown accustomed to in the past few decades, the show made suggestions about Mary having an active sexual life and taking the pill. Photo Courtesy: FX FX's Pose not only meant a front-row seat to ballroom culture. Pose's best-known face is perhaps that of Billy Porter. The Emmy-winning actor has become a red carpet fixture thanks to his religious family he's gay. The show was created by James L. The show, which aired for seven seasons on Netflix from 2013 to 2019, became a refreshing blend of tales from all the women who made it. Treva Silverman was one of the first women hired as a writer for the show, and, importantly, she shared her own experiences to inform the characters' lives. Ortiz is once again involved in a history-making TV show: Hulu's Love, Victor. Orange Is the New Black Natasha Lyonne, Yael Stone, Danielle Brooks, Dascha Polanco, Taylor Schilling, Uzo Aduba, Adrienne C. They're in the midst of the AIDS epidemic and try to carve a place for themselves in a society that turns a blind eye or simply rejects them, all while they reshape the definition of family. The episode in which Lucy's pregnancy was announced aired in 1952. The show made headlines when it first debuted in 2018 for having the largest transgender cast of any scripted series. Other than in the writers' room, the show was groundbreaking because it focused on the life of an independent career-woman who didn't care about getting married. Then there was Queer as Folk on Showtime in 2000. The Cosby Show reigned first with eight seasons, running from 1984 to 1992, before Bill Cosby's sex crimes came to light. The show garnered praise for its representation of Latinas on TV. In it Morgan was attracted to a character played by Laura Dern and she came out as gay to her friends. DeGeneres' figure has been under scrutiny in recent months regarding allegations of a toxic work environment in her talk show The Ellen DeGeneres Show, but in the 1990s her sitcom cleared the way for further LGBTQ representation on TV. The characters used verbal workarounds like "we're having a baby" or "blessed event" to imply Lucy's state. George Takei played Lieutenant Sulu, the U.S.S. Enterprise's helmsman. The six-season sitcom jump-started Smith's career. The writers would have to avoid the word "pregnant" though, considered too vulgar to air. Bookmark tonight's TV channels: What's on TV tonight? The "Yep, I'm gay" moment was big for American TV because up until then gay characters had been relegated to secondary, mostly one-note roles. Rutherford Falls has been praised for its depiction of Native American characters and cultures and inclusive representation. Photo Courtesy: CBS via Getty Images Star Trek: The Original Series not only garnered a devoted following that's since spun several sequel series, spin-offs and movie franchises over the decades, it was also a rare example of diversity on screen. The sitcom Will & Grace started airing in 1998 with Eric McCormack playing gay lawyer Will and best friend to Grace (Debra Messing). The Fresh Prince of Bel-Air Karyn Parsons, James Avery, Daphne Reid, Joseph Marcell, Tatyana Ali, Will Smith and Alfonso Ribeiro in "Fresh Prince of Bel-Air." Photo Courtesy: NBCUniversal via Getty Images The Banks — and their Philadelphia-born nephew Will Smith — weren't the first Black family on a successful TV sitcom with international success.
